

Cornerstone IT Makes MSPmentor Top 501 Global Ranking

The MSPmentor 501 Global Edition has named Cornerstone IT as one of the world's best IT service providers.

MENTOR, OH – Cornerstone IT, a provider of managed IT services for small to mid-sized businesses in Northeast Ohio, has been named to the 7th Annual MSPmentor Top 501 Global Edition list as one of the world's top managed service providers.

The MSPmentor 501 report is based on data from MSPmentor's global online survey. The MSPmentor 501 report recognizes top managed service providers based on a range of metrics, including annual managed services revenue growth, revenue per employee, managed services offered and customer devices managed. More information about the MSPmentor 501 can be found by visiting, <http://www.mspmentor.net/top501/>.

“Cornerstone IT is proud to be recognized as one of the world's leading managed service providers and to be listed among the top 501,” says Ray Paganini, President of Cornerstone IT. “Making this list and the Lake-Geauga Fast Track 50 for four consecutive years are strong indications of a growing local economy and an increase in demand for IT services. Our commitment is to support these growing businesses by providing expertise in information technology, managed services and client support.”

The MSPmentor 501 is an expansion of the former MSPmentor 100 and global rankings include the following territories, North America, Europe, Middle East, Africa, Asia, Australia and New Zealand.
