Cornerstone IT Named Lake-Geauga Fast Track 50 Award Winner for 9th Consecutive Year

Mentor, Ohio – November 3, 2017 – The Lake-Geauga Fast Track 50 has named Cornerstone IT one of the 50 fastest growing companies in Lake and Geauga Counties for 2017. “Cornerstone IT is honored to receive this award for the 9th year in a row, and appreciates the Business Community’s recognition,” says Ray Paganini, President.

The Lake-Geauga Fast Track 50 recognizes companies in Lake and Geauga counties who have shown growth and change that contribute to business success. Eligible companies must be organized for profit and located within the two county region. Winners are awarded based on average company sales, employment growth over the previous five year period, and a minimum sales profit percentage.
