Cornerstone IT Receives Lake-Geauga Fast Track 50 Award for 10th Consecutive Year

Mentor, Ohio – November 8, 2018 – The Lake-Geauga Fast Track 50 has named Cornerstone IT one of the 50 fastest growing companies in Lake and Geauga Counties for 2018. “Cornerstone IT is honored to have received this award for 10 consecutive years,” says Ray Paganini, President. “We are proud to have a team that continuously strives for success.”

The Lake-Geauga Fast Track 50 recognizes companies in Lake and Geauga counties who have shown growth and change that contribute to business success. Eligible companies must be organized for profit and located within the two county region. Winners are awarded based on average company sales, employment growth over the previous five year period, and a minimum sales profit percentage.

Cornerstone IT accepted recognition for this achievement at the 2018 Lake-Geauga Fast Track 50 awards dinner held Nov. 7 at the Holiday Inn – LaMalfa Center in Mentor.
